The inaugural Legacy Summit, hosted by the HKAWL and supported by the Global Family Office of Invest Hong Kong, brought together over 100 leading family office principals, next-generation asset owners, and single-family offices from Hong Kong, China and overseas, to engage in an in-depth exploration of building family legacies through philanthropy and impact investing.

Attendees also had the chance to delve into the growth cycle of startups in Hong Kong and explored strategies for nurturing the next generation of entrepreneurs with the speakers, who offered invaluable perspectives on fostering innovation and sustainable business practices.

Concurrent breakout sessions followed in the afternoon, with engaging discussions on various topics including the mobilization of next-generation impact investors, empowerment of transformation, structuring and scaling of charitable initiatives, venture philanthropy, and the extension of catalytic impact through capital.

This summit served as a powerful testament to HKAWL's unwavering commitment to invigorating a vibrant ecosystem for family offices worldwide through fostering collaboration, networking, knowledge sharing, and talent development across the sector, and strengthening Hong Kong's position as a principal centre for managing family wealth legacies.
