

Ms Yoo-kyung Park

Managing Director; Head of Global Emerging Markets Equities, Fundamental Strategies, APG Asset Management Asia

Yoo-Kyung Park is Managing Director of the Global Emerging Markets Equities, Fundamental Strategy team at APG Asset Management, an asset manager for Dutch pension funds, based in Hong Kong. Her main role is to manage the overall operation and performance of the team, which involves overseeing the investment process, embedding Responsible Investment into the investment process, formulating overall investment strategy and policies, and managing the team. Before joining the EME team, she headed the APAC Responsible Investment & Governance team at APG. Prior to APG, she was a securities analyst at international investment banks such as Barings Securities and KEB Salomon Smith Barney. She has covered a range of industry sectors including power/gas utilities, consumer, transportation, and heavy industries such as steel, chemicals and refining.
