

## Damien Green

Chairman (non-executive), Manulife Financial Asia Limited

Damien Green is Chairman (non-executive) of Manulife Asia's Regional Holding Company, Manulife Financial Asia Limited.

Prior to being appointed to his current role, Damien was President and Chief Executive Officer, Manulife Asia and before that CEO of Manulife Hong Kong and Macau (Manulife International Limited).

Damien has 22 years of leadership experience across the Asia-Pacific, including as President of Manulife Asia; CEO of Manulife Hong Kong and Macau; President and CEO of MetLife Korea; Regional Executive overseeing MetLife's Hong Kong, Malaysia and Vietnam operations; CEO of AIA Group Corporate Solutions (group life, health and pension businesses across Asia); CEO of AIA Australia; and CEO of MetLife Australia. Before this, he also held key leadership positions in the Australian superannuation sector before which he held a number of elected and non-elected leadership roles in the sphere of industrial relations working for the Australian Workers' Union of Employees.

Damien is a member of the Board of Directors of the Hong Kong Financial Services Development Council (FSDC) and is a past Chairman of the Hong Kong Life Insurance Council and the Governing Council of the Hong Kong Federation of Insurers.
