

Mr Philippe Naegeli
Co-Founder & CEO
GenTwo

Mr Philippe Naegeli is an experienced business leader and investor with a strong entrepreneurial spirit and extensive experience in trading, investment and merchant banking and corporate governance. Philippe has worked in Europe, Asia, and the U.S. over the course of three decades. 2014 he was appointed CEO, Managing Partner, and Vice President of the Board at Forstmann & Co. USA, a financial institution that builds partnerships and value chains together with industry leaders, philanthropists, governmental and non-governmental organizations to support the true entrepreneur. In 2018 he co-founded GenTwo, the creator of next-generation financial products, providing innovative Securitization as a Service. Today, Philippe acts as the CEO of GenTwo and Member of the Board at GenTwo, GenTwo Digital, and SAS Security Agent Services AG.
