

Jonathan Gill

Senior Tokenisation Director and Legal Advisor, HashKey Group

B.Com. (Accounting), LL.B., M.App.Fin. (Corporate Finance/Advisory and Wealth Management)

Jonathan originates, structures and executes tokenisation transactions to raise capital, develop ecosystems and facilitate liquidity.

He has a diverse skill set spanning accountancy, corporate and green finance, corporate governance and law. He draws upon this to devise tokenised products across a wide range of sectors including real estate, sport, art, technology and natural resources.
